because every moment is a learning opportunity

WELCOME BACK TO THE NEW SCHOOL YEAR!

I hope you enjoyed your break. Let get started with some great tips to start the school year.

TECH TIPS

REMOVE VIDEO BACKGROUNDS!

<https://www.unscreen.com/>

With Unscreen you can use a gif or even record your footage anywhere, then simply get rid of the background. No Green-screen needed!

MAKE YOUR OWN ANIMATED GIF

<https://brush.ninja/>

A FREE online Hand-drawn Animated GIF creator. No login.

- Draw your first frame.
- Duplicate the first frame and make minor changes.
- Repeat until you get a few moves.
- When played in sequence, you have a basic animation.
- Export to save your creation as an animated GIF!

Fact of the Day

Students who do not read by 3rd grade are four times more likely not to graduate from high school.

SUPPORT STUDENTS' WORKING MEMORY

Decrease Memory Load:

- Chunk tasks into smaller sections.
- Give visual & verbal instructions.
- Reduce the amount of work to complete.
- Develop routines & procedures.
- Provide information in multiple formats.

Use Graphic Organizers

- Offer checklists with visuals.
- Use different styles of graphic organizers for new concepts. Scan the code for free templates.
